# One

One tree can give life to a forest,  
One smile can start a friendship,  
One hand can uplift a soul,  
One idea can shape the future,  
One candle can wipe out darkness,  
One laugh can conquer gloom,  
One ray of hope can lift your spirits,  
One touch can show that you care,  
One life can make a difference,  
Be that 'one' today.
